Description

New House comprises a small red brick former farm cottage in a good plot which offers great potential (subject to planning) to extend into an attractive family home via use of Permitted development Rights alone or by submitting a new planning application for significant redevelopment.

The house currently comprises on the ground floor a porch area leading to the entrance hall with Kitchen and Lounge/Diner. On the first floor there are 3 bedrooms and a bathroom.

Outside to the front an enclosed lawn area, the rear garden is lawn leading to the neighbouring paddock, enclosed by a mature hedge and with mature trees including Ash, Maple and, Lilac.

The property has white Upvc windows and porch door.

Kingston falls in the catchment area of the renowned Comberton Village College. Primary schooling is provided in the village of Bourn nearby.

Access

Access is via a right of way onto Tinkers Lane shared with adjoining properties as shown coloured brown on the sale plan. Opportunity to create a direct, private access to New House from the highway, subject to planning.

Planning

The property lies in the area covered by South Cambridgeshire District Council. Planning permission reference number SC/69/225 granted permission for the original dwelling subject to an agricultural occupancy condition. In June 2003 that occupancy condition was removed (ref S/1039/03/F).

The Vendors have taken advice from Planning consultants who advise that up to approximately 78m² (840ft²) of additional floor area via a two storey rear extension and single storey side extension may be achievable under Permitted Development Rights and within the relevant conditions; a further 97m² (1044sq²) could be achieved by adding 2 storeys on the existing footprint, subject to permission through the Prior Approval process i.e. a potential total volume of 200m² (2,152ft²) could be achieved using Permitted Development Rights alone and a total volume of 297m² (3,196ft²) may be achieved under the combined Permitted Development Rights and Prior Approval process.

Tenure and Possession

The property is freehold with vacant possession upon completion.

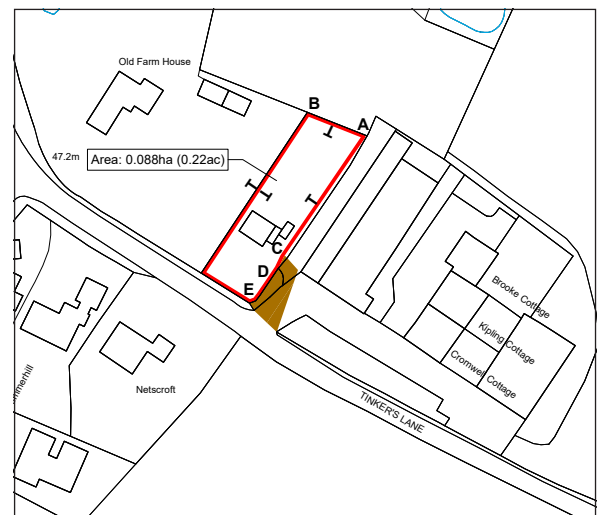

Services

The property has mains electricity.

Heating is via electric night storage heaters and water is heated via electric immersion

The property is connected to mains drainage

The property currently enjoys a good fibre internet connection, with speeds of Download 74mb, Upload 20mb.
